

## **Group 2: Teacher Turnover Activity**

### **September 5, 2014**

Using “Excerpts 8-30-14 from the 2012-2013 Annual Report on Teachers Leaving the Profession” report answer the following questions:

1. From Table 2, how do Collaborative districts compare to the state in turnover rate?
2. From Table 3, how do Collaborative districts compare to the state in the four category types listed?
3. From Table 6, describe five-year trends in turnover for the Collaborative
4. From Tables 8 & 9, select the reasons given most often for teacher turnover in the Collaborative.
5. What licensure areas are most difficult to staff in the Collaborative (see table on page 8)?
6. As a result of your review of the teacher turnover report results, list 3 – 5 initiatives you would recommend to the Collaborative for 2014-15.
7. Be prepared to report out to the whole group.
